

Questions to Ask Your Doctor

About Light (Photodynamic) Therapy

What are the risks for using light therapy?

How long will the procedure take?

How many treatments will I need?

How do I care for the area of the skin that is exposed to light therapy?

Will I have to come back at a later time for a follow-up visit?

Will the procedure be covered by insurance and what, if any, out-of-pocket expenses will there be?
