

Questions to Ask Your Doctor

About Systemic Therapy

Why do you believe systemic therapy is a possible treatment option?

How many treatments will I receive?

Should I have someone drive me to treatments?

What side effects may occur and how will they be managed?

What kind of activity limitations will I have? For how long?

Will the treatments affect my ability to work?

Can I take vitamins, supplements, herbs, medicinal marijuana, etc. while on this treatment?

Why or why not?

What is my prognosis?

What type of follow-up will I need?

Do I need regular scans?

Should I get a second opinion?

Should I consider enrolling in a clinical trial? Why or why not?
