

Questions to Ask Your Doctor

When You Are Told You Need a Biopsy

How long will the biopsy take?

Are there risks to performing this biopsy?

Will I have stitches?

Will the biopsy remove the lesion in its entirety?

Should I have someone drive me?

Will I be left with a scar?

What type of activity limitations will I have? For how long?

How long will it take to receive my results?

How should I care for the biopsy site after the procedure?

Will I have to come back to get stitches out?

Will the procedure be covered by insurance and what, if any, out-of-pocket expenses will there be?
